Good afternoon Ed. I received a copy via CD of the recent report *Annual OM & M Report - 2012 for OU3 (Former Grumman Settling Ponds) Groundwater Interim Remedial Measure, Bethpage, NY*, prepared by Arcadis. At your convenience, please have an additional copy of this report sent to Rob Alvey of this office, via CD. Rob Alvey should be receiving CD copies of any reports that I receive pertaining to groundwater. FYI, Michael Poetzsch is no longer assigned to this project, and hence his name can be removed from the mailing list for receipt of copies of documents.

Thank you,
